Cache is a square plastic jar with a red lid located off the road from the highway to Ney's Provincial Park. (190 meters from the park gate, but outside the park). You can park at the park entrance but there is also a small pull-off by the road near the cache (48° 46.659N, 086° 35.079W) Some bushwacking is involved.

Take time to visit Ney's Provincial Park. This park was originally a German Prisoner of War Camp during World War II. Visit the visitor's centre in the park to find out more about the life at this prisoner of war camp. There is also great camping in the park - you can camp almost on the beach.

Drop by Ney's Lunch on the north side of the highway for a bit to eat and fill up your tank with gas.
